Note: Rates calculated from the total population may not add to subtotals or total because of rounding.

¹ Status offenses include truancy, incorrigibility, running away, and curfew violations. These offenses can only be committed or engaged in by a juvenile.

² Rates are based on annual population estimates provided by the Demographic Research Unit, California Department of Finance (see Table 58).

³ These rates are based on the population at risk for each year. The categories are total (10-69 years of age), adult (18-69 years of age), and juvenile (10-17 years of age) (see Table 58).
